

Parent Staff Association (PSA)

Terms of Reference

Aims

The PSA is a committee which helps the school to provide materials, resources and facilities for the benefit of the whole school community. The PSA raises money by way of holding events for both adults and children during the school year. These events enable us to:

Objectives

- To provide 'extras' for the children especially during Chaggim and milestone events
- To donate much needed equipment and materials
- To donate towards the rebuilding of the school.

Membership

Membership is available to all Parents and Staff and is purely voluntary. Members are expected to donate as much or as little time as they are able.

Event Planning

A schedule of events are planned a year in advance with the diary assistance of the school's Leadership Team. There will be one main fundraiser per term, in addition to the annual Funday. We will consider the addition of smaller fundraisers depending on costs and diary availability. Members are encouraged to submit ideas for future events via the Chairs.
