

Year 3 Autumn Term Curriculum Overview 2023

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
MATHEMATICS	<p>On-going application of mental, communication, problem solving and reasoning skills.</p> <p>Place Value</p> <ul style="list-style-type: none"> To represent numbers to 100 To partition numbers to 100 To look at a number line to 100 To look at hundreds in a number To represent numbers to 1000 To partition numbers to 1000 To look at hundreds, tens and ones To find 1, 10 or 100 more or less To look at a number line to 1000 To estimate on a number line to 1000 To compare numbers to 1000 To order numbers to 1000 To count in 50s. 			<p>On-going application of mental, communication, problem solving and reasoning skills.</p> <p>Addition and Subtraction</p> <ul style="list-style-type: none"> To apply number bonds within 10 To add and subtract 1s, 10s and 100s To spot the pattern To add 1s across a 10,100 To subtract 1s across 10, 100 To make connections To add two numbers (no exchange) To subtract numbers (no exchange) To add two numbers across a 10 To add two numbers across a 100 To subtract two numbers across a 10 To subtract two numbers across a 100 To add 2 digit and 3 digit numbers. 			
ENGLISH	<p>Moon Man by Tomi Ungerer</p> <ul style="list-style-type: none"> To engage children with a story with which they will empathise To explore themes and issues, and develop and sustain ideas through discussion To develop creative responses to the text through drama, storytelling and artwork To write in role in order to explore and develop empathy for characters To write with confidence for real purposes and audiences. <p>Possible Writing Outcomes</p> <ul style="list-style-type: none"> Poetry Diary entry News Reports Explanation writing Myth writing Persuasive writing Letter writing. 						
SCIENCE	<p><u>Animals including humans</u></p> <ul style="list-style-type: none"> To identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat To identify that humans and some other animals have skeletons and muscles for support, protection and movement. <p>Star scientist – Marie Curie.</p>						

HALF TERM

Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week14
<p>Continue with Addition and Subtraction</p> <p>To complement to 100</p> <p>To estimate answers</p> <p>To know inverse operations</p> <p>To make decisions on which method to use.</p>	<p>On-going application of mental, communication, problem solving and reasoning skills.</p>					<p>Assessment Week</p>
	<p>Multiplication and Division</p> <ul style="list-style-type: none"> To know that multiplication is split into equal groups To use arrays To know multiples of 2 To know multiples of 5 and 10 To share and group numbers To multiply by 3 To divide by 3 To know the 3 times table To multiply by 4 To divide by 4 To know the 4 times table To multiply by 8 To divide by 8 To know the 8 times table To work out number problems linked to the 2, 4 and 8 times tables. 					
<p>Iron Man by Ted Hughes</p> <ul style="list-style-type: none"> To understand the themes of a text To draw inferences from the written and visual text to support understanding of character. To understand how illustration and text contribute to meaning To write in role in order to explore and develop understanding of character. <p>Possible Writing Outcomes:</p> <ul style="list-style-type: none"> Letter writing Narrative recount Conversation between characters Illustrated sequel Free Verse 						
<p><u>Forces and Magnets</u></p> <ul style="list-style-type: none"> To compare how things move on different surfaces To notice that some forces need contact between 2 objects, but magnetic forces can act at a distance To observe how magnets attract or repel each other and attract some materials and not others To compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials To describe magnets as having 2 poles To predict whether 2 magnets will attract or repel each other, depending on which poles are facing. <ul style="list-style-type: none"> Star scientist – Andre Marie Ampere. 						

Year 3 Autumn Term Curriculum Overview 2023

HISTORY							
GEOGRAPHY	<p><u>Where on Earth are we?</u></p> <ul style="list-style-type: none"> To understand that flat 2-D maps and spherical 3-D physical and political globes all represent our world, but in different ways To demonstrate the relationship between maps and globes, and explore the idea of addresses To be able to identify the position of lines of latitude and name the Equator, Tropics of Cancer and Capricorn, and the Polar circles, Arctic and Antarctic, and the North and South Poles To learn more about longitude, and about the Earth's daily rotation and its effects To introduce the International Date Line and time around the world To describe the significance of latitude and longitude, and how they are used to describe the location of points on the Earth's surface. 						
ART	<p><u>Investigating Patterns</u></p> <ul style="list-style-type: none"> Investigate varied patterns in nature and surrounding environment Introduce and experiment with different grades of pencil and other implements when drawing patterns – look at Escher's work Plan, refine and alter their drawings as necessary Draw for a sustained period of time at their own level Use different effects, e.g stippling, crosshatching to achieve variations in line, texture, tone, colour, shape and pattern Look at tessellation, rotation and variety of visual effects Introduce printing patterns using different materials, e.g. string experimenting with different rotations, etc when creating patterns Introduce sketchbook to collect and record visual information from different sources Gather and review information, making comparisons between artists and paintings Explain how children can improve their work and what they might do differently next time. Evaluate work in sketchbooks. <p><u>Artists:</u> Escher(tessellating patterns), Orla Kiely (designer, patterns and textiles)</p>						
DT							

<u>Why should we preserve our locality? – link to shul building</u>						
<ul style="list-style-type: none"> To understand what makes a building special To understand that there are a diverse range of reasons why buildings are listed To reach a decision on whether a building is worth saving To plan a campaign for an ‘at risk’ building To produce a creative response to our campaign buildings to show at an exhibition. 						
<u>Packaging – You want me!</u>						
<ul style="list-style-type: none"> Understand how products have been designed, made, what materials have been used and the construction technique Identify a purpose and establish criteria for a successful product Start to understand whether products can be recycled or reused Know to make drawings with labels when designing When planning, explain their choice of materials and components including function and aesthetics Explain their choice of tools and equipment in relation to the skills and techniques they will be using Start to work safely and accurately with a range of simple tools Start to think about their ideas as they make progress and be willing to change things if this helps them to improve their work Start to evaluate their product against original design criteria e.g. <i>how well it meets its intended purpose.</i> 						
<u>Designers:</u> MGA, Kellogg’s, Hasbro						

Year 3 Autumn Term Curriculum Overview 2023

COMPUTING	<p>COMPUTING STRAND: Computer Science Unit 3.1 Coding - Programs; 2Code</p> <ul style="list-style-type: none">To review coding vocabulary that relates to Object, Action, Output, Control and EventTo use 2Chart to represent a sequential program designTo use the design to write the code for the programTo design and write a program that simulates a physical systemTo look at the grid that underlies the design and relate this to X and Y propertiesTo introduce selection in their programming by using the if commandTo combine a timer in a program with selectionTo understand what a variable is in programmingTo use a variable to create a timerTo create a program with an object that repeats actions indefinitelyTo use a timer to make characters repeat actionsTo explore the use of the repeat command and how this differs from the timerTo know what debugging meanTo understand the need to test and debug a program repeatedlyTo debug simple programsTo understand the importance of saving periodically as part of the code development process.
PE	<p><u>Invasion Skills (football):</u></p> <ul style="list-style-type: none">Pass and receive the ball around the playing area showing some control.Work collaboratively to keep possession.Control the ball and pass unchallenged.Move into space to receive the ball unchallenged.Use short passes to keep possession.Work as a team to move towards the goal.To send the ball and move into a new space.Control the ball and dribble into space.Determine when to run into space to receive the ball.
MUSIC	<p>Unit: Ballads</p> <p>Ongoing Focus: Learning new musical skills/concepts and revisiting them over time and with increasing depth</p> <p>MUSIC STRAND: Listening, appraising and responding <i>Listening to a range of high-quality live and recorded music</i></p> <ul style="list-style-type: none">Discussing the stylistic features of different genres, styles and traditions of music using musical vocabulary (Indian, classical, Chinese, Battle Songs, Ballads, Jazz)Understanding that music from different parts of the world, and different times, have different featuresRecognising and explaining the changes within a piece of music using musical vocabulary

<p>COMPUTING STRAND: Computer Science, Information Technology & Digital Literacy Unit 3.5 Email (including email safety) – Programs; Email</p> <ul style="list-style-type: none">To think about the different methods of communicationTo open and respond to an email. To write an email to someone, using an address bookTo learn how to use email safelyTo add an attachment to an emailTo explore a simulated email scenario.
<p><u>Gymnastics:</u></p> <ul style="list-style-type: none">To create a sequence of 2 contrasting elementsTo demonstrate extension in shapesTo produce flow in sequenceTo explore a greater range of contrasting actionsTo copy a partner’s sequenceTo define what contrast is and how it applies to sequencesTo Consolidate and improve quality of basic rollsTo explain how strength and flexibility applies to rollsTo work with a partner to perform a roll sequenceTo consolidate and improve quality of jumpsTo jump high and far off low apparatusTo work in groups of 3-4 to create a rolling and jumping sequenceTo perform in unison with a partnerTo translate unison into contrasting actionsTo identify when they are using strength in their sequenceTo choose and apply contrasting shapes in a sequenceTo work in a group of 3-4 to produce contrasting sequence
<p>Unit: Creating compositions in response to an animation Theme: Mountains</p> <p>Ongoing Focus: Learning new musical skills/concepts and revisiting them over time and with increasing depth</p> <p>MUSIC STRAND: Listening, appraising and responding <i>Listening to a range of high-quality live and recorded music</i></p> <ul style="list-style-type: none">Discussing the stylistic features of different genres, styles and traditions of music using musical vocabulary (Indian, classical, Chinese, Battle Songs, Ballads, Jazz)Understanding that music from different parts of the world, and different times, have different featuresRecognising and explaining the changes within a piece of music using musical vocabulary

Year 3 Autumn Term Curriculum Overview 2023

SRE/ PSHE	<ul style="list-style-type: none">Describing the timbre, dynamic, and textural details of a piece of music, both verbally, and through movementBeginning to show an awareness of metreRecognising and beginning to discuss changes within a piece of music. <p><i>Listening with attention to detail and recall sounds with increasing aural memory</i></p> <ul style="list-style-type: none">Beginning to use musical vocabulary (related to the inter-related dimensions of music) when discussing improvements to their own and others’ work. <p>Composing</p> <p><i>Create sounds and music using the interrelated dimensions of music</i></p> <ul style="list-style-type: none">Selecting and creating longer sequences of appropriate sounds with voices or instruments to represent a given idea or characterSuccessfully combining and layering several instrumental and vocal patterns within a given structure.Creating simple melodies from 5 or more notesChoosing appropriate dynamics, tempo and timbre for a piece of musicUsing letter name and graphic notation to represent the details of their compositionBeginning to suggest improvements to their own work. <p>Performing</p> <ul style="list-style-type: none">Using their voices expressively when singing, including the use of basic dynamics (loud and quiet)Singing short songs from memory, with melodic and rhythmic accuracyCopying longer rhythmic patterns on untuned percussion instruments, keeping a steady pulsePerforming expressively using dynamics and timbre to alter sounds as appropriateSinging back short melodic patterns by ear and playing short melodic patterns from letter notation.
	<p><u>Induction Week</u></p> <ul style="list-style-type: none">To explain why our school has rules to keep us safe, healthy and happyTo care for the school/class environmentTo develop strategies to manage the transition between Year 2 and Year 3. <p><u>Developing a Healthy Lifestyle – Cross-Curricular with Science</u></p> <ul style="list-style-type: none">To make choices about how to develop healthy lifestyles. E.g. the risks of eating too much sugar, the benefits of regular exercise on their physical and mental healthTo plan a healthy lunchbox/mealTo know how to maintain good oral hygiene (including brushing and flossing) and the importance of regular visits to the dentist. They can name 3 things they can do to look after their teethTo understand that bacteria and viruses can affect health and following simple routines can reduce their spreadTo know some of the harmful effects of smoking (including passive smoking) on the body. They know the rules/laws to prevent smokingTo understand school rules about health and safety, basic emergency aid procedures and where and how to get help. <p><u>Black History Month</u></p> <ul style="list-style-type: none">To appreciate difference and diversity (people living in the UK). Children know what different religions and ethnicities live throughout the UKTo think about the lives of people living in other places, and people with different values and customs. They can see and respect other people’s points of view. <p><u>British Values</u></p> <ul style="list-style-type: none">Democracy assembly plus follow-up work

<ul style="list-style-type: none">Describing the timbre, dynamic, and textural details of a piece of music, both verbally, and through movementBeginning to show an awareness of metreRecognising and beginning to discuss changes within a piece of music. <p><i>Listening with attention to detail and recall sounds with increasing aural memory</i></p> <ul style="list-style-type: none">Beginning to use musical vocabulary (related to the inter-related dimensions of music) when discussing improvements to their own and others’ work. <p>Composing</p> <p><i>Create sounds and music using the interrelated dimensions of music</i></p> <ul style="list-style-type: none">Selecting and creating longer sequences of appropriate sounds with voices or instruments to represent a given idea or characterSuccessfully combining and layering several instrumental and vocal patterns within a given structureCreating simple melodies from 5 or more notesChoosing appropriate dynamics, tempo and timbre for a piece of musicUsing letter name and graphic notation to represent the details of their compositionBeginning to suggest improvements to their own work. <p>Performing</p> <ul style="list-style-type: none">Using their voices expressively when singing, including the use of basic dynamics (loud and quiet)Singing short songs from memory, with melodic and rhythmic accuracyCopying longer rhythmic patterns on untuned percussion instruments, keeping a steady pulsePerforming expressively using dynamics and timbre to alter sounds as appropriateSinging back short melodic patterns by ear and playing short melodic patterns from letter notation.
<p><u>Anti-Bullying Week</u></p> <ul style="list-style-type: none">To describe the nature and consequence of teasing, bullying and aggressive behaviours and can express ways of responding to themChildren can listen and respond to a wide range of peopleTo learn that their actions affect themselves and othersTo develop strategies to resolve differences. <p><u>Road Safety Week</u></p> <ul style="list-style-type: none">To know that wearing bright or fluorescent clothing (in daytime) and reflective clothing (at night) will help to keep them safe when near trafficTo consolidate what ‘Stop, Look and Listen’ meansTo know why they need to follow rules for crossing the road and to be able to recognise safer places to crossTo begin to learn and use the Green Cross Code. <p><u>Preparing To Be Citizens In Society</u></p> <ul style="list-style-type: none">To know about the ways in which rules and laws keep people safe. Furthermore they need to know how to take part in making and changing them. (British Values)To know about their responsibilities, rights and duties (home, school and the environment)To see that the School Council in school mirrors how local/national democracy works. They learn about the role of a School CouncillorTo understand about resolving differences – agreeing and disagreeing. <p><u>Awareness Days</u></p> <p>Anti-Bullying Week – 13th – 17th November</p> <p>Road Safety Week</p>

Year 3 Autumn Term Curriculum Overview 2023

	<u>Awareness Days/Weeks</u> Black History Month Jeans for Genes Week – 18 th – 24th September 10 th October – World Mental Health Day NSPCC – Speak Out, Stay Safe assemblies and follow-up work
FRENCH	Les Animaux (Animals) <ul style="list-style-type: none">• To recognise, recall, and spell up to 10 animals in French with their correct determiners/ indefinite articles• To understand that there are more determiners/ articles in French than in English• To use and become more familiar with the high-frequency 1st person conjugated verb ‘je suis’ (I am), from the infinitive verb ‘être’ (to be).
JS	Chagim: Rosh Hashanah <ul style="list-style-type: none">• To know the date of Rosh Hashanah• To know that Teshuvah means returning to Hashem, and that Hashem is nearer to us in Ellul and during this time• To know we ask Hashem to write us in the ‘Sefer Chaim Tovim’ (the Book of Good Life) – the link between R. Hashanah & Y. Kippur in terms of the “Ktivah” and “Chatima”• To revisit the Simanim and a wider range of requests. Note the play on words• To know we wish people a ‘Ketivah V’chatimah Tovah’ (“Be written and sealed for good!”)• To know Hashem judges us on Rosh Hashanah for the coming year – the initial writing of the verdict. We also wish each other “Ketivah Tovah” (That we should be written for a good year). Chagim: Yom Kippur <ul style="list-style-type: none">• To be able to compare and contrast the structure of regular weekday davening and Shabbat tefilla and YK and know that the day is split into five services• To ask for forgiveness for the wrong we have committed• To know that Yona is read at mincha• To know Yom Kippur’s Hebrew date• To know Yom Kippur Greeting – “Chatimah Tovah” (“Be sealed for good!”). Hashem considers our actions and seals His judgement in His book for the coming year). Chagim: Succot/Shmini Atzeret/Simchat Torah <ul style="list-style-type: none">• Arbah minim –To know the source of each of them in the natural world; the name of tree in English• To knows that we recite a full Hallel throughout Succot, Shemini Atzeret & Simchat Torah• To be familiar with the “Harachaman Hu Yakim” addition in Birkat Hamazon• To know what Hoshanah Rabba & Shemini Atzeret are• To know the purpose of Shemini Atseret – Hashem requests our company for an extra day.• To know the festival structure: the names and status of all 9 days incl. Hoshana Rabbah.
