Typeify	Touch typing courses	Pippa is the founder of typeify, a touch typing business, launched in May 2022. Since September 2022, typeify has run several touch typing courses during lunch breaks for some Rosh Pinah Primary School (RPPS) students. This arrangement was agreed prior to Pippa being appointed as a Parent Governor in December 2022. There is no contract between typeify and RPPS. RPPS do not pay typeify. In fact it is typeify who pay RPPS on an ad-hoc basis for the use of a classroom for the course. RPPS parents who would like their children to attend the touch typing course pay typeify directly. This information is offered in the spirit of full disclosure.
